To Mebring's Restorative Cordial is a certain cure of Dyspepsia and Nervous Affections. It is percularly a apted to remove these distressing complaints, not by constantly physicing, but by strengthomer the system. No greater mistake can be made than to suppose that Dyspepsia or any other disease arising from deality, can be cured by a frequent forced action on the wavels by purgative medicines. Where this complaint exists, the system is stready too weak, and every additional dose tends to make it more so. This Cordial, on the contrary, acting as a tone, strengthens the digestive organs and assistance in the most operation of the nervous farming the great of the nervous function, have seen entirely cured by this remedy.

The Cordial is as pleasant to the taste as wine itself, and many lacities and gentlemen are in the daily habit of taking a gless of it at dinner, as an assistant of female, and enter derivations of the nervous function, have seen entirely cured by this remedy.
